

**BASIC END WORDS**

Say the phrase (eg " THE FUTURE ") out aloud, spot the thetan, and say the phrase out aloud whilst spotting the thetan. Do these actions in whichever way most easily produces lots of large reads. Keep saying the phrase and spotting the Thetan until this action no longer produces a read. Mark each read with a slash ( / ). If the next item won't read, check the earlier line(s) and mark the reads with a backslash ( \ ).

( Watch out for B1, which must be run as a noun. )
