a) Assess the int button list above all the way through.

b) Take the largest reading item from the int button list and assess the appropriate set of four flows on the next pages (without the "Recall a time" part). Take the largest reading flow and run it to EP.

c) Re-assess all four flows and handle to EP as in b) above.

d) Repeat c) until all the flows F/N.

e) Then re-assess the int button list above and repeat the steps from b) above.

NOTE: there is no need to attach unused pages of this list to the session worksheets.
